

## SONY Cyber-shot® Digital Camera DSC-W80/P

Recreate the moment with the incredibly lifelike pictures you'll take with the silver DSC-W80/P 7.2 megapixel Cyber-shot® digital camera. Your friends will be impressed with its combination of high fashion and advanced performance. With features like Face Detection to bring out the most natural tones in faces and HD output for presentation, sharing pictures becomes an experience to remember. The convenient in-camera retouching and red-eye reduction expands your creativity while the double anti-blur solution allows low-light shooting without flash. And the Carl Zeiss® 3X optical zoom lens lets you view the action very closely through the large 2.52 LCD screen. The Cyber-shot DSC-W80 is available in four stylish colors including pink, silver, black and white.
